### **Continuing Professional Education for Social Workers- What are your training needs- perhaps the AASW can help to make it happen!**

The NQ Branch Committee is planning to organise training events for our members in 2010. Training can take place across North Queensland and we are keen to use technologies such as teleconferencing and videoconferencing (where possible) for our rural/remote members. The committee is seeking ideas and suggestions for training topics, speakers etc. Please email your ideas about training to the NQ Branch committee at [aaswnqld@aasw.asn.au](mailto:aaswnqld@aasw.asn.au) or alternatively contact a sub-committee member directly.

**If you are interested in delivering training please fill in the brief questionnaire on the next page.**

### **AASW Endorsed Training- Is your organisation interested in delivering professional training?**

The AASW creates an opportunity for social workers to accumulate continuing professional education (CPE) points which can be put toward 'accredited' social work membership. Points are earned when workers participate in training, professional supervision, conferences and journal reading etc. This is voluntary and accredited membership is optional.

The NQ Branch can assist organisations and individuals with planning, promoting and/or delivering accredited social work training. The NQ Branch will also help with the application form and registration process. If you would like more information about running AASW endorsed training please visit the AASW website at [www.aasw.asn.au](http://www.aasw.asn.au) or contact the NQ Branch Committee at [aaswnqld@aasw.asn.au](mailto:aaswnqld@aasw.asn.au)
