JUNE 2010

Dear NTH QLD Members, We hope that our E-Bulletin finds you enjoying the beautiful winter weather.

HAVE YOU TICKED NTH QLD ON YOUR MEMBERSHIP RENEWAL?

RENEWAL of MEMBERSHIPS are now due and AASW NTH QLD would like members to be aware that when you complete your registration you must tick NTH QLD to ensure you belong to the NTH QLD Branch or QLD if you wish to belong to the QLD Branch. The allocation of your membership fee and therefore resources goes to the branch that you allocate and NTH QLD would like your fees to remain in our area. NTH QLD covers the area north of Rockhampton, west to the Qld / NT border and north to the tip of Cape York. If you have any queries, please let us know at aaswnqld@aasw.asn.au.

ACCREDITED MENTAL HEALTH SOCIAL WORKERS

In the recent Federal Budget the allocation of funding for ACCREDITED MENTAL HEALTH SOCIAL WORKERS under the Better Health Access Scheme was cut. Following lobbying and negotiations in no small part by AASW, this decision was reversed however it is to be reviewed in 12 months time. We are calling for Accredited Mental Health Social Workers who would like to discuss this issue to let us know and we will put together some meetings either in person or via teleconference to discuss this. Please advise Lindy at aaswnqld@aasw.asn.au.

Look for our quarterly E-Newsletter to come out next month.
