

## AASW QLD Branch—Practice Groups

### Private Practitioners

#### Purpose

Based in Brisbane, an AASW Special Interest Group for private social work practitioners to contribute to best practice and thriving private practices:

- Mutual support and networking for social workers in private practice
- Advice to AASW about trends, issues, needs and solutions relevant to private practitioners and practice
- Marketing of social work and private practices
- Continuing professional education
- Business advice, support and education
- Links to social work private practice groups nationally
- Peer supervision

#### Meetings—2010
