(07) 3369 2400

Time 5.30 pm

Agenda

- Welcome and introduction of members and their practices (2 min each max!)
- PP issues /developments
 - Developments in PP Register
 - Continuing education
 - Other
- Forum for Discussion

“Record keeping, confidentiality and information sharing”

Good record keeping is an important part of a private practice and practitioners need to meet ethical, administrative and organisational requirements.

Confidentiality, privacy issues and information sharing will also be considered under this topic.

****** Members are asked to bring along issues and insights relating to the topic – to share with the group. ******

- Networking over dinner at Kookaburra Café
