

Have YOU ever  
thought of being a  
**MENTOR?**

Inspiring the next generation  
of social workers.

Have YOU ever  
wanted to be  
**MENTORED?**

Learning and being guided  
by experience.

## The AASW Early Career Mentoring Program 2018 Is Now Taking Applications

### Mentors

- Share your skills and experience with a new social worker
- Enhance your social work profile through engagement and reflection
- Contribute to shaping social work professionals of the future
- Support new social workers to chart their career in the profession
- Gain CPD hours.

### Mentees

- Enhance your connection to the social work profession
- Draw on the experience of a social worker and their networks to further your professional development
- Develop confidence in managing workplace challenges and integrating self-care strategies
- Explore strategies to build a successful and sustainable career
- Gain CPD hours.

# About the Program

This program will run for nine months commencing with the Orientation to Mentoring Workshop on 17 April 2018, followed by seven independently arranged mentoring sessions between May and December 2018 and concluding with a Reflection and Networking Event in early 2019. For further information visit [www.aasw.asn.au](http://www.aasw.asn.au)

## ELIGIBILITY

### Mentees

- AASW members who are currently employed in a social work role and have been working as a social worker for between six months and five years.

### Mentors

- AASW accredited social workers with more than seven years experience in social work practice.
