You may direct your proxy how to vote on a given item of business by placing 'X' in one of the three boxes opposite that item. If you mark your vote then your proxy must vote that way for your vote.

1. If you want your proxy to vote for the proposal, cross the box under **In favour**.
2. If you want your proxy to vote against the proposal, cross the box under **Against**.
3. If you do not want your proxy to vote at all regarding the proposal, cross the box under **Abstain**.
3. If you are undecided and want to leave the decision to your proxy at the meeting, do not mark any box against the item. Your proxy will then decide how to vote at the meeting.

If you place an 'X' in more than one box against an item, then the proxy will not know how to vote and your vote will be invalid.
