Subject: Constitutional Review

Dear Geoff,

Thank you the opportunity to comment on the constitution review in 2019. The WA Branch Management Committee felt that they wanted to respond in writing to this.

As the WA BMC we are in favour of:

- 1) Changes to the Board of Directors including reducing the Number of Vice Presidents
- 2) Changing the terms of office for directors
- 3) Increasing that flexibility in Committees of the Board
- 4) Removing Alternative Directors
- 5) Clarifying the Chair does not have a casting vote.

We also note the changes the align the Association with the requirements of the Corporations Act and welcome these.

The WA BMC notes the changes from the proposed constitution in 2018 and welcome the omission changes to the direct election and continuing to have branches within the constitution.

Please let us know if we can assist with this in the future.

Yours Faithfully

The WA BMC
