

2020 ACT Legislative Election

Dear Ms Minchin and Ms Craik

Thank you for your correspondence requesting the ACT Labor's position on matters important to the Australian Association of Social Workers and the wider community. Apologies for the lengthy delay in responding.

Over the past four years the ACT Labor Government has made the Canberra we love, even better. Our priority now and if we are fortunate enough to be returned to government, is to protect Canberrans' jobs, keep Canberrans healthy and safe, and help the local economy recover from the devastating global impact of COVID-19.

A range of groups have recently made contact with MLAs and candidates seeking information on our policies ahead of the election on 17 October 2020. As the ACT Labor Party Secretary and Campaign Director, I am pleased to respond to you and other groups on behalf of the Labor Party, its MLAs and candidates.

ACT Labor have officially launched our 2020 ACT Legislative Assembly re-election campaign and released our Policy Position Statement. This Statement reflects ACT Labor's values and sets out our principles, vision and plan for the years ahead.

ACT Labor's [Policy Position statement](#) is available [here](#). This document is not exhaustive but provides a snapshot of our achievements, and the policies we will continue implementing as part of our plan, if re-elected. This Statement is the foundation of the specific announcements we are making through this campaign; and is the result of thousands of hours of community engagement.

In addition to the Policy Position Statement, ACT Labor will continue to make detailed policy announcements throughout the election campaign on issues that matter to Canberrans.

Thank you again for your interest in ACT Labor's policy platform. ACT Labor MLAs and candidates look forward to continuing to serve the community.

Yours sincerely

Melissa James
ACT Labor Campaign Director
