

## **AASW ACT pre-budget questionnaire details**

The AASW is currently developing our 2022-2023 pre-budget submission for all our branches.

Every year, the State/Territory Treasury will undertake community consultations in preparation for the budget for the next fiscal year. This is an important policy and advocacy activity for the AASW to influence the allocation of state/territory budgets to services and programs that impact many vulnerable people across Australia.

Therefore, we want to hear what you have to say regarding the 2022-2023 budget of your state/territory.

\* How to get involved?

You can get involved by completing the questionnaire here by 15th September 2021. >
