One-day workshop—Presented by Pamela Seraskeris and Geraldine McKay

Application of Attachment Theory in Couple Counselling

Attachment theory will be presented as a useful model to understanding intimate adult relationships and how early attachment experiences influence these emotional bonds. This course is for practitioners looking to incorporate attachment ideas into their work with couples.

An overview of attachment theory and its application to intimate adult relationships
Applications of attachment theory concepts in working with couples in distress
Understanding attachment injuries and their presentation in couple relationships
A working knowledge of adult attachment as a therapeutic frame work for couple counselling

Meet the presenters

Geraldine McKay BSW, MSW, AMHSW. Geraldine is a Social Worker and trained Couple and Family Therapist. She has extensive experience as a clinical social worker who has worked with individuals, couples, families and communities both in the public sector and in private practice.

Pamela Seraskeris BSW, MA (CFT), AMHSW. Pamela is a Social Worker and a Couple and Family Therapist. She has worked in a variety of settings primarily in the areas of counselling and adult education. She is a skilled facilitator and provides training, consultation and supervision to individuals and organisations. Pamela currently works in the public sector and in private practice.
