

## City West Lotteries House (CWLH) – 2 Delhi Street West Perth

**TRAINING VENUE LOCATION:** please see this [link](#).

**PUBLIC TRANSPORT:** We recommend using public transport to get to CWLH, the nearest train station is City West.

**PARKING:** We understand that public transport is not an option for some, parking near the training venue is a maximum of 3 hours only and it is expensive. If you look further afield like a 5-10 minute walk for example, on [Wellington Street](#) and [Mayfair Street](#), West Perth - there are City of Perth car parks; where you can pre-pay and get 'early bird' rates ranging from \$12-15 for 8-10 hours. Please check the City of Perth Parking [website](#) or you can install their app on your smart phone, please look up other parking options and please be aware rates may change and car parks may be full, so please plan ahead and have a back-up plan.

**ACROD Parking Bays at Lotteries House:** There are two ACROD permit parking bays at CWLH, these are available on a 'first come – first serve' basis and there is no time limit. Unfortunately we are unable to book the bays.
