Social Work Journeys: Transitioning from Student to Professional

The seminar aims to provide participants with: -

- Insights into the career trajectories, especially the first social work roles, of a number of successful social workers across different fields of practice;
- Insights into the experience of social workers in their first social work role and their lessons learned; and
- Advice on preparing for and succeeding in your first social work role.

The seminar will take the form of a Panel Presentation followed by a Question and Answer Session involving social workers from a diversity of fields of practice and at different stages of their professional career.

Panelists to be confirmed.

This workshop is preceded by [Navigating Social Work in Australia on 31 July](#) and [Securing Your First Social Work Role](#) on 28 August 2019
